CITY WILL ALLOW 6 PER CENT ON TAXES PAID IN ADVANCE

Boulevards in City to be Standardized. Appeal from the Court of Revision now Taken to Public Utilities Commissioners. Another Hospital Property Offered. Properties Sold and Leased. Three Bylaws Passed.

The regular meeting of the city council was held on Tuesday evening with all members attendance except Al. Chandler.

After the adoption of the minutes of the last meeting, C. B. McMurdo and C. D. Smith, on behalf of the Agricultural Society, addressed council respecting payment of an account of \$25.00 for work at fair grounds last year. The city decided to pay \$13.00 of the account.

Jos. Trea went regarding exchange of lots in city, and paying balance of taxes due. It was agreed to transfer 10 lots north of city for two lots on Peace street west.

C. D. Smith went informing council that he had renewed insurance policies for city liability for accident to pedestrians, and for members of the fire brigade.

A letter from the Attorney General informed council that an amendment had been passed at the recent session to the Public Utilities Board Act, providing that an appeal from the court of revision must be made before the Public Utilities Commissioners, instead of before a district court judge. The correspondence was filed and His Worship was thanked for his efforts in having the legislation passed by the legislature.

City Solicitor Russell reported respecting the City of Wetsaskiwin vs Geo. L. Owen case. The letter was filed.

Then, Ward asked council what was being done respecting the purchase of hospital, and was informed that council was awaiting proposition from the owners of the present hospital building. Mr. Ward intimated that he had property suitable for hospital purposes for sale.

Quotations were read from different dealers for supply of culvert material. They were referred to the public works committee.

A petition, made by H. Gallekson, for water connection to residence, was referred to the public works committee to report as to cost.

L. F. Pankner applied for water connection to his garage on Lorne St. The request was granted.

The Canadian Oil Co. asked permission to install gas tank near the U.P.A. Store. Request was granted, the work to be done under supervision of Supt. Watson.

The offer of W. N. Paton to purchase three lots at rear of his residence for \$10.00, was accepted, taxes to commence January 1st, 1926.

The following accounts were paid for payment: General, \$175.29; Electric Light, \$371.56; Waterworks, \$11.85.

Mrs. Hogan offered to redeem residence and lots in southern part of city. The offer was accepted.

The Wetsaskiwin Curling Company offered to pay taxes amounting to approximately \$290.00, providing the council would allow a satisfactory discount. Council decided to allow discount at the rate of six per cent per annum, to all taxpayers desiring to pay taxes in advance.

The requests of L. O. Johnson and Chas. Canale to purchase property on east side were referred to the public properties committee with power to act. The committee was also empowered to rent other properties in city for pasture.

The Service Tax Bylaw No. 594, was read the second and third times and finally passed.

Bylaw No. 597, respecting the assessment of motor vehicles, was read three times and finally passed. Motor vehicles valued up to \$250 will be assessed for \$15.00; from \$250 to \$750.00, assessed for \$25.00; and over \$750 assessed for \$35.00, being the same rate as last year.

Bylaw No. 598, appointing J. E. Fraser as registrar of elections for

CHARGED WITH ASSAULT

Reuben Smith of Ponoka was brought before E. Chandler, police magistrate on Monday afternoon on a charge of indecent assault. He was remanded for trial at the next sittings of the court.

CLAIMS OF S. LINE DELEGATES WERE REFUSED

A delegation of residents of the district west of Wetsaskiwin and Ponoka with C. J. Rickard of Lone Ridge, as spokesman, waited upon the government Friday morning and asked for the building of the Lacombe and Northwestern railway line on a new route from that now proposed. It was the opinion of the delegation that instead of extending from Hoadley, the present terminus, on the west side of Pigeon Lake, the road should run north from Rimbey on the east side of Pigeon Lake, following the survey of the S line of the C.N.R. to Edmonton and leaving the Rimbey-Hoadley road as a stub line.

In support of this request it was claimed that such a railway would serve a more thickly populated country and one better suited to farming, with a substantial population already on the land and in want of better transportation facilities.

Premier Greenfield gave an unfavorable answer. He said the government could not consider such a proposition for the reason that the building of a road by the route suggested would mean too close paralleling of the Edmonton-Calgary line of the C.P.R. It is the government's intention he said, to proceed with the extension of the Lacombe and Northwestern from Hoadley, as first planned.—Journal.

W. EDMONTON TORIES NOMINATED DOUGLAS

Edmonton, April 16.—J. M. Douglas, present member of the city council of Edmonton, was chosen by West Edmonton Conservatives at a convention here last night as the party candidate for the federal riding of West Edmonton in the next election. Several other nominations were before the convention but all withdrew excepting Mr. Douglas, C. Y. Weaver and F. C. Jamieson.

Mr. Douglas was elected to the Dominion house as a Liberal member for Stouanville in 1911. In 1917 he was returned as a Unionist member for Strathcona. He went down to defeat in 1921 as a Conservative candidate, the riding being won by D. W. Warner, Progressive.

Last night Mr. Douglas came out flatly for a high tariff wall across Canada, claiming that this alone would restore prosperity to the country and stop the exodus of people to the United States. The other candidates also advocated high tariffs in all lines. The convention was attended by less than one hundred delegates.

ANNUAL MEETING OF TENNIS CLUB

The annual meeting of the Tennis Club was held in the Alexandra school on Monday evening, April 20. The following officers were elected for the coming season:

Pres.—E. L. Falker.
Vice Pres.—Earl Garlock.
Vice Pres.—Mrs. McMurdo.
Sec.—Mrs. McMurdo.
Treas.—Mrs. McMurdo.

The Tennis Club are planning to start the building of three new courts this season, and to help provide the funds for this enterprise they are holding their annual dance on Monday, May 25th, which they hope will be as well attended as previous dances given by the club.

The fees for the year are to be \$5.00 for each senior member, \$2.00 for junior members over 12 years of age, \$1.00 for junior members under 12 years. Where there is a second junior member in the one family the second child's fees will amount to only \$1.00 instead of \$2.00.

The courts will be ready for play on Monday, April 27, and a schedule will be drawn up for Monday, May 11th. All members wishing to play in the schedule games are asked to kindly hand in their fees to Marie Switzer, the secretary treasurer, at the Imperial Bank, before Saturday, May 2nd.

CATHOLIC CHURCH AT CAMROSE

If present plans mature, the erection of a fine new brick Catholic church, to cost about \$22,000, will soon be undertaken at Camrose. A centrally located site is available for the building of such a church as well as the erection of a suitable residence for the priest.

OBITUARY

MRS. C. A. MORRIS

A gloom was cast upon the community on Monday, when it was learned that Inez Viola, beloved wife of Mr. C. A. Morris, had passed out of this life at the family residence in the southern part of the city. She was born at Sycamore, Ill., and was aged sixty-nine years, six months and three days. An early age she moved with her parents to Iowa, where she resided until coming to Alberta eighteen years ago. She married her now sorrowing husband at Ticonderoga, Iowa, on March 27, 1883—over forty-two years ago.

The late Mrs. Morris was in poor health for some time as she suffered from heart trouble. She gradually sank until Monday, when she passed peacefully away to be forever with her Lord.

Eighteen years ago, she came to Wetsaskiwin with her husband and for several years lived on the farm adjoining the agricultural grounds, later moving to the city. She leaves a husband and one daughter, Mrs. Lyle Cameron, of Edmonton; one sister in South Dakota and one brother in San Francisco, besides a very large circle of friends and acquaintances. She was always interested in church work, and every movement having as its object the betterment of humanity, had her unstinted support.

The funeral took place Wednesday afternoon, service being held in the English Baptist church, conducted by Rev. C. E. Thompson, of Calgary. The floral tributes were especially numerous and beautiful. The church was not large enough to accommodate the friends who assembled to pay their last tribute of respect. The interment took place in the Wetsaskiwin cemetery.

JOSEPH DOWLER

With the passing away of Mr. Joseph Dowler on Tuesday afternoon, April 17, 1925, at three o'clock, the village and district of Millet lost one of its oldest and most respected citizens. Mr. Dowler came to Millet twenty-five years ago, and has remained continuously in the district since then.

He was born in Lattin, County of Tyrone, Ireland, on September 23rd, 1845. When five years of age he came with his parents to Canada, who settled in Huntington, Quebec. On this voyage, in a sailing ship, there was some delay, and they spent two weeks on the ocean. He married Miss Alice Quinn in 1874. They have four children, all living, Odellah, at Pigeon Lake; Fred and Mrs. McCracken, in Calgary, and Herbert, at Prince Albert. He had been active in the social and religious betterment of the community in which he lived. He was a member of the Methodist church for many years, and for more than forty-five years had been an active member of the I.O.O.F.

About nine months ago, Mr. Dowler had a stroke of paralysis, from which he recovered and became quite active again. His final sickness lasted about a fortnight, gradually sinking until the end came. All the family were present at the funeral, which took place on Sunday afternoon, April 19. The family gathered for a few moments of prayer in the privacy of the home, then in charge of the I.O.O.F., the cortege left the house at 2:30 p.m. The funeral service was held in the United Church, conducted by the pastor. The church was packed to the doors, with some standing outside.

The floral tributes were beautiful, among them being the following: Mrs. Deane and Miss Gladys, spray; Strong & Dowler office staff, wreath; Mr. and Mrs. Graham, spray; Dr. and Mrs. Plant and family, spray; The Dowler family, wreath; Mr. and Mrs. A. P. Mitchell, wreath; Mr. and Mrs. P. Dowler, wreath; Mr. Morrison, wreath; Millet Lodge I.O.O.F., pillow; Mrs. McCracken and family, pillow; Ladies Aid, United Church, spray; and Mrs. William Carr, spray.

Interment took place in the cemetery at Millet.

The whole community extends sympathy to the widow and the family in their bereavement.

There is a great scarcity of modern houses in the city. We know of several families who could not get a suitable residence and moved elsewhere as a result.

MEETING OF EXHIBITION ASSOCIATION

At a meeting of the directors of the Wetsaskiwin Exhibition association, held on Monday of this week, it was decided to abandon the sports program planned to be held on May 25, as it was felt that this date is too early for an event and most of the farmers will not be through with their spring work. It is planned instead to put on a double header sports carnival on July 1st and 2nd, and arrangements are accordingly being made for a full program of baseball, racing and grandstand attractions for those days.

It may be necessary to change the fair dates this year to a later date in order to obtain the services of a carnival company, as the only show available at present is already booked up to August 15. Should such a course be found necessary, announcement of the altered dates will be made in the near future.

Permission was granted for the troop of Strathcona Horse, who will be marching from Calgary to Edmonton during the second week of May, to camp at the exhibition grounds overnight when passing through Wetsaskiwin.

CIVIL CASES AT SUPREME COURT

The spring sittings of the Supreme Court for the trial of civil cases was held here last week, with Justice Walsh presiding. There was a small docket. The following cases were disposed of:

Rattle vs Yates—This was an action in which the issue was the validity of the will of the late Daniel Rattle, and the judge found in favor of the will. Messrs Loggie & Manley for the defendant, and Messrs. Howatt & City of Wetsaskiwin—This was an action questioning the validity of a tax sale of a piece of property sold by the City of Wetsaskiwin, and there was also a counterclaim for taxes. The case was settled on the day of trial. The plaintiff received back his property and the amount of his indebtedness to the City was fixed at \$505.00 upon which he was allowed a credit of \$150.00. Alex. Knox for the Plaintiff, Odell & Russell for the defendant.

Campbell vs Campbell—An action for divorce. Plaintiff was given Order Nisi to be absolute at the end of three months. Odell & Russell for the plaintiff.

Average Price of \$135.00 Paid at Bull Sale

An average price of \$135.27 was realized for the 67 bulls which passed through the sale ring at the Edmonton arena Tuesday. The shorthorn entries provided the high figure in the breeds with 41 animals disposed of at an average price of \$128.59.

The Herefords were next, at an average valuation of \$115, and the Aspinshire entries averaged \$106.56. The Holstein bulls in the ring made an average of \$85, while the Aberdeen Angus animals averaged \$81.

The general high quality of the Shorthorn entries was reflected in the demand from the bidders. Top prices of the sale was realized by Dr. P. R. Talbot for his good red calf, which the previous day had been made champion of the breed. This animal was bought by T. S. McEwen of Edmonton for \$350. The reserve champion of the Shorthorns also went to the Edmonton district, being bought by N. Edlerton from E. M. Roberts & Son, of Castor, at \$325. Another good young bull from this same herd sold to H. A. Scholte of Chipman for \$255, while two animals contributed by G. R. Bell and Sons, of Strathcona, sold for \$250 and \$290 respectively.

HOSPITAL DONATIONS

The matron and staff of the Wetsaskiwin hospital acknowledge receipt of the following donations recently received:

Flowers from the Methodist church, Immanuel church and the C.G.I.T. of Knox church.
Lily from C. W. Niles.
Plant from Mrs. R. D. Robertson.
Chocolates for nurses from Mrs. P. H. Edlerton.
Chocolates for nurses from Mrs. Lashley of Springdale.

WETASKIWIN ROADS TO BE KEPT IN GOOD CONDITION

E. E. Sparks, M.L.A., informs Kiwanians at Luncheon that Work will be Done on Trunk Roads this Season. Gives Interesting Address on Work of Session. Site Selected for Memorial Park and Swimming Pool.

Mr. E. E. Sparks, the member for the Wetsaskiwin constituency, was the speaker at the Kiwanis Club on Tuesday evening and he gave the members a lot of information about the laws enacted at the recent session of the Alberta legislature. Kiwanian Frank Montgomery was the chairman and there was a good attendance.

At the outset, Mr. Sparks referred to the condition of the roads near Wetsaskiwin. On the road to Millet, the grading was done last year and instructions were given to have the

CALGARY TROOPERS ARE TO STOP HERE ON A MARCH NORTH

Calgary, April 20.—Immediately following the military tournament here, a detachment of about four officers and 40 other ranks will proceed by road to Edmonton to take part in a similar tournament in that city. The party will consist entirely of permanent force personnel, drawn from Lord Strathcona's Horse (R. C. D.).

The party will leave Calgary on Monday, May 11, arriving in Edmonton on the next Monday.

The probable halting places en route are Crossfield, Oils, Red Deer, Ponoka and Wetsaskiwin. The two cities, Red Deer and Wetsaskiwin, have offered their exhibition grounds and buildings for the accommodation of the detachment en route.

This march is expected to prove highly instructive to the young soldiers who were not privileged to serve during the war, while to those who did, it will doubtless recall old memories.

ESTEEMED CITIZENS CELEBRATE THEIR GOLDEN WEDDING

A golden wedding celebration was held on Sunday last, April 19, at the home of Mr. and Mrs. John Edlund, of the Nashville district. A great number of relatives and friends had gathered to enjoy the celebration and to congratulate the well known respected and beloved old couple. Rev. N. J. Berge and wife were also invited, and Mr. Berge gave the usual address, both in poetry and prose, which was much enjoyed and appreciated by the worthy couple and all present.

The two brothers, Axel and Nyrus, and their wives were also invited, and they all enjoyed the festivities by singing a couple of appropriate ditty. They also spoke hearty words of cheer and congratulation to the worthy pair.

A handsome gift of gold, etc., was presented by Mr. Berge on behalf of those present, and Mr. Edlund, on behalf of himself and Mrs. Edlund, expressed his and her heartfelt gratitude to all present for the gifts and their presence. He also related some very interesting incidents of his experience.

Mr. and Mrs. Edlund came to western Canada over twenty-five years ago, and settled in the Nashville district, where they have built up a first and second home, and have arranged it very comfortably for their old age.

They will spend table, beautifully decorated with cut flowers, was prepared for all the guests and was much enjoyed. That the worthy hospitable couple may live well and happy for many years is the wish of all their friends.

CURT SMITH AND FAMILY HAVING PLEASANT VOYAGE

The following radio message was received by Mr. A. S. Rossmore on Wednesday, being sent by Mr. Curt Smith on board the ocean liner Deutschland: "We have had wonderful trip; sunshine all day long; we are badly sunburned. Everything nice and everyone as pleasant as possible; Staff very attentive."

portion north of the Lucas bridge dragged last week, but the machine was delayed in shipment. The drag has arrived, however, and the work will be done at once. In reference to the Pigeon Lake road, the few miles nearest to the city were in the worst condition, but this will be attended to as soon as weather permits. It is the intention of the department to put the road to the lake in first class shape as quickly as possible and to keep it in good condition in the future. These camping at the lake will be glad to know that a telephone service will be completed to the lake before the camping season opens.

In speaking of the work of the legislature, Mr. Sparks referred to only a few of the acts, which were put through or amended. The handling of hides is now regulated by the Stock Inspection Act, instead of by the "Producers Merchants' Act." Some amendments were made to the Legal Professions Act, in that benchers are now elected for 2 years instead of three. It was proposed to bond solicitors, but this did not meet with the approval of the members. The Jury Act was amended, and now a judge may excuse a jurymen if good cause is shown. An amendment to the Medical Professions Act was carried, and now chiropractors are regulated under the act. The solemnization of Marriage act was amended, raising the age of the contracting parties from fifteen to sixteen years. The Hospital License Act was changed, providing that no operation can take place in a private hospital. The Daylawners Act was also amended respecting the wedding and grading of cream. Legislation was also passed empowering cities and towns to bonus industries to a limited extent.

The most important questions before the house were the railways running to the north country and the irrigation system in the south. A million dollar sugar plant is being built at Raymond, and the farmers there are pledged to raise 6000 acres of sugar beets, for which they will be paid at least \$5.00 a ton. The Lacombe railway will be extended 20 miles this year.

In speaking of the tourist traffic, it should be expected that the roads in the province could be made as good as the paved roads in the U.S., as the cost would be too great, but the government would do what it can to keep the trunk roads in the best possible condition. In Washington, some of the famous ones are paying \$1.00 on the road or \$12.00 on a half section for rods alone, and everything he possessed was taxed to the limit over and above this.

Mr. Sparks concluded by referring to the funds being established in the province and some of the benefits to be derived therefrom.

The committee reported that the site selected for the memorial park and swimming pool were the lots southeast of Alexandra school, now being used as a play ground. The recommendation was accepted by the meeting.

BYE-ELECTION IN M.D. MONTGOMERY

At a meeting of the ratepayers of Division 1 of the Municipal District of Montgomery, held on Friday last, the first of the term, were paying \$1.00 on the road or \$12.00 on a half section for rods alone, and everything he possessed was taxed to the limit over and above this.

The committee reported that the site selected for the memorial park and swimming pool were the lots southeast of Alexandra school, now being used as a play ground. The recommendation was accepted by the meeting.

TAKES OVER THEATRE

R. J. Grant took over the management of the Angus Theatre on Monday of this week, and put on the big special, "The Thundering Herd" as an opener. There was a good crowd and the picture was appreciated.

MILLET

There passed away at a hospital in Edmonton, on April 12, 1925, Mr. Alexander John Martin, a citizen of Millet. Mr. Martin had been in ill health for some time, and last fall rented his lively business, so he would be free to seek medical aid and rest, but neither appeared to be of any help to him. Mr. Martin was born in Ontario 55 years ago, his family being well connected in Canada. He was well known and respected in Millet and the surrounding district. The funeral took place on Wednesday, April 15, when the United church was well filled. His brother, Mr. Martin of Winnipeg, was his only relative present at the funeral. The I.O.O.F. took charge of the funeral, a number of visiting members being present from Leduc and Wetaskiwin. Interment was in the cemetery at Millet.

The people of Millet and surrounding district are already getting excited about "Martha Made Over." This is to take place in Phynon's hall on Friday, April 24, at 8 p.m. The following will constitute the cast:

This district was visited by a heavy rain and snow on Friday and Saturday. There should be no lack of moisture here for a while.

Some farmers in the vicinity have started work in the fields. Spring work will be general this week.

Mrs. B. McGovern and grandson Ernie were Edmonton visitors last week.

Mr. Fontaine, an old timer of this district, is seriously ill at the home of his son, Joe.

Mrs. Elmer Smith and Mrs. Earl Uphaw were Camrose visitors one day last week.

Owing to the bad roads and the inclement weather there was not a very big crowd at the C.W.L. meeting on Saturday. The next meeting will be held at the home of Mrs. John Trautman, on May 2.

Dame Rumor says that wedding bells will be ringing in the near future.

Mrs. (De) Dudgeon is still on the sick list, and not much better.

Mrs. Martin returned home on Friday, after spending the last three weeks visiting her daughter, Mrs. V. Daly, at Chiswick, Alberta.
Walter Trautman is sporting a Chevrolet car these days, recently purchased from Joe Fontaine.

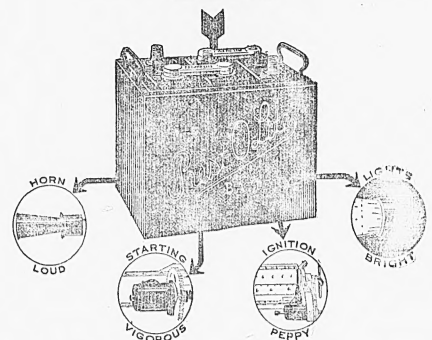

CHERRY GROVE

The April meeting of the Battle River W.M.S. was held at the home of Mrs. E. B. Switzer on Thursday afternoon, April 23rd, and was well attended. A special Easter program was given and greatly enjoyed by all. The songs and recitations given by the little tots deserve special mention.

What Your Battery Does!

PRESS the starter and the engine jumps into life. Turn the ignition switch and hot sparks fly from the spark plugs, firing the gasoline vapors that give power to the engine.

Touch the horn button and a cheery blast warns traffic and clears the way.

Snap on the lighting switch—bright lights penetrate the darkest night.

These are the jobs your battery does. The things that make a modern motor car the easiest, safest and most convenient transportation that the world has ever known.

Prest-O-Lite Storage Batteries are known everywhere in Canada to give a long, repair-free life that eliminates battery worries.

NURSERY STOCK

To the People in and around Wetaskiwin—Do you know that annually from \$800.00 to \$1500.00 is sent away from the city and surrounding district for nursery stock, and the most of it is useless and will not stand our climate.

If you would spend this money with P. C. Petersen & Sons, you would help home industry, and leave all this money at home.

You can drive to the Nursery and see everything grow right here. We have some thirty varieties of persons, such as roses, lilacs, spirea, honeysuckle, caragana, flowering crabs, in fact, everything that is recommended by your experimental farm at Lacombe. Call at the Nursery, or phone R4005, and we will give you prices.

Visitors are always welcome, and you will not be urged to buy stock, but we will give you all the information that we can.
Yours for beautiful homes,

GENERAL NEWS

The anniversary of Vimy was the occasion of a jolly banquet at the Arlington hotel on Thursday night last when the Camrose branch of the Great War Veterans entertained. The company numbered eighty-one men, including the mayor of Camrose, J. Douglas; the president of the Rotary Club, R. J. Sanders, and the Exalted Ruler of the Elks Lodge, H. B. Ness, as well as a contingent of the boys from the Bittern Lake district—Canadian.

As a result of the canvass for members for the Board of Trade this year the committee in charge has been able to turn in a report of nearly one hundred members. When the list is completed, the list which now stands at ninety-four is expected to reach the hundred mark. This year is anticipated as being one in which the Board of Trade will have more opportunity of acting as a publicly bureau for the town of Camrose, and district than has been possible in recent years—Canadian.

The town of Camrose has been without a band for the past two or three years and in order that an efficient town band may be organized the local Elks have taken the matter in hand in an endeavor to overcome this deficiency. There appears to be available sufficient musical talent to provide a full quota of the necessary instruments.

At the congregational meeting held in the Presbyterian church on Tuesday evening, the joint committee, appointed to conduct a canvass for funds, brought in a report. The survey resulted in subscriptions of approximately \$10,000. The canvassers were greatly pleased with the cordial reception given them in their work—Camrose Canadian.

CASE OF INTEREST TO FARMERS

A case of considerable interest to farmers was disposed of by His Honor Judge Lees on Tuesday, April 7th. Howard Hepburn applied for an order for possession of a farm leased by Ivan E. Sparks, whose lease expired on February 28. Sparks refused application on the grounds that his crop was under snow, and could not be threshed.

His Honor stated in reply that this made no difference, and that hundreds of farmers were in the same position. Possession of the farm should have been given Hepburn on March 1, and Sparks had no right to withhold. An order was granted ordering immediate possession of the farm to be given to Hepburn. Knox & Beaumont, barristers, of Ponoka, acted for the applicant, Hepburn; Odell & Russell, barristers, of Wetaskiwin, acted for the respondent, Sparks. — Ponoka Herald.

DEATH OF THOMAS DAHL

It will be a matter of regret for many to know that Mr. Thomas Dahl of the Car district passed away at his home on Saturday, April 11, after an illness caused from Bright's disease, at the age of sixty-four years.

He was widely known throughout this district, having immigrated to Canada from Minnesota in 1898, settling in Wetaskiwin and moving to Camrose in 1907, entering business in which he remained until 1915, when he decided to return to the Car district. During his career he always took a keen interest in public affairs, having been mayor of Camrose for four years, and government road commissioner of the Bittern Lake constituency after leaving at Car, from which position he resigned in 1920, due to bad health—Camrose Canadian.

LOGICAL ROUTE FOR SHIPPING WESTERN GRAIN TO EUROPE

Speaking quite naturally, from a Vancouver standpoint, the Province and the Sun deplore the loss arising from export of Canada's grain by way of the American ports. The Sun says: "Ten years ago New York was handling little or no Canadian grain. Montreal, Halifax and St. John did most of this business. Of the 1923 crop, New York handled 112,000,000 bushels of Canadian grain against 57,000,000 via Montreal.

"When the Yankee goes out for business he goes after it with a vengeance. The Yankees have gone after the Canadian grain business and today they control it. Of the 1923 crop, 175,000,000 bushels of Canadian grain moved from Port William to world markets via American boats, American railroads and American Atlantic ports.

"There is no use asking how New York or Buffalo can take this business away from Canadians. The fact is that they are doing it."

The shortest route of all to Europe, therefore, the one that could best meet all competition, is the Hudson Bay route.

The Province says: "Canadian grain, routed westward, finds a market through Canadian channels only. They are no pickings on the route for the foreigner. Any profit there is comes to Canadian pockets or pays interest on Canadian investments."

The "foreigner" mentioned is our good neighbor but ultra-keen business man—the Yankee—who has placed a prohibitive tariff on Canadian wheat yet is not adverse to accepting a profit of millions for handling it in transit.

With the Hudson's Bay route in operation, all Canadian grain could, and should, reach tidewater and cheap transportation at Canadian ports—thereby retaining the entire industry and profits within the Dominion.

Competent authorities have estimated Canada's loss at \$35,000,000 due to alien transport of grain. This would be much more than sufficient to complete the outlet to the ocean arm provided by nature to transport Canada's export surplus of wheat.

Why not stop that leak of millions and enhance the entire Dominion's prosperity?

Even the east is lessening its opposition to the Hudson's Bay project as shown by the following paragraph in the *Montreal Times*:

"The Hudson's Bay scheme may be impracticable. It is at least premature. But most of the work is done, and this work is of practically no value unless the road and some terminal facilities are completed. The scheme may be a piece of folly, but it would be a greater folly to leave it as it is. The opinion of experts as to its value is divided, and can be settled only by a practical test."—*Montreal Times*.

ARGUMENT

Jake Ginger says the earth is flat, it's fixed, and naught can move it, and he will bet his Sunday hat that he can amply prove it. He's always talking on this theme, and many men who meet him inform him that he's in a dream and scornfully they greet him. And they insist the earth is round, although the poles are flatter; they stand and argue and expound the things that do not matter. They lean against a fence or hedge, and whoop in earnest fashion; and Jake, whose temper has an edge, soon flies into a passion. And soon there is a vulgar scarp, that follows coarse words spoken, and some one has a damaged map, and some one's nose is broken. Another has a twisted neck, a fourth one's teeth are shattered; and all this scene of gore and wreck for things that never mattered. Jake Ginger called to me tonight "The earth's as flat as blazes!" and I assured him he was right, on calm and courtly phrases. I say "I never took a walk on planets any flatter," and miss a lot of foolish talk, while friendly words I scatter. I do not argue this or that with any human being; when Jake insists the earth is flat, I'm prompt in my agreeing. And if he said the earth is square, or shaped much like a wedge, I would not rise and paw the air with truculent demeanor. For argument is waste of time, and snapping oaths is folly, and pulling whiskers is a crime that makes men melancholy.—Walt Mason.

SAME HERE

An exchange says: "Golfitis, the microbe that is closely related to curlitis, is becoming very virulent in the leas, several of our citizens being afflicted. They are looking for a cure, or at least, an alleviation of their sufferings, by tramping the surrounding landscape for suitable greens. We hope that they will soon be successful and that they find some outlet for their malady."

Here and There

A total of 1,003,672 barrels of apples have been shipped to the English market from Halifax since the beginning of the shipping season up to February 24. London took 354,715 barrels and Liverpool and Manchester came second and third with 207,823 and 127,885 barrels respectively.

Eighty-four thousand automobiles are now being operated by citizens of the Province of Quebec equivalent to an average upkeep of \$300 per year each, a total expenditure for maintenance alone of \$25,000,000 every year, according to figures supplied by the Montreal Automobile Trade Association.

Around 10,000 horses were shipped from western Canada to eastern Canada in 1924, most of them coming from Saskatchewan. This province is maintaining its lead as the greatest horse-breeding centre of the Dominion, with a total of 1,170,745 head, an increase of 33.44 per cent over 1923.

The steamship "Princess Marguerite" successfully passed her trials on Clydebank when she developed an average speed of 22.50 knots and a best run of 23.2 knots per hour. Together with the "Princess Kathleen" she will be used on the Seattle-Vancouver-Victoria route this coming season.

Monsignor Heylen, Bishop of Namur, Belgium, and permanent president of the Eucharistic Congress, arrived at St. John, N.B., last week on the "Montrose." His Lordship was on his way to Chicago where he will make preparations for the Congress, to be held there in June, 1925.

Ivan Shivelog, Canadian Pacific Railway representative in Yugoslavia, interviewed here recently, stated that his countrymen were 88 per cent agriculturists and that he felt "certain that in the mutual interests of both countries the future will, in the field of immigration, lead to closer and closer relations between Canada and the Kingdom of the Serbs, Croats and Slovenes."

A romance of the peerage and the steerage was personified by F. E. Bailey, grandson of the late Lord Glanville, who arrived at St. John, N.B., last week among the third-class passengers on the "Montrose." Bailey, who is just 17 years of age, was so struck with Canada that he ran away from Bray Court College at Maidenhead and after a number of adventures realized his ambition by sailing on the "Montrose."

The largest batch of Clydesdale horses that has ever sailed from the Clyde, valued at \$10,000, was embarked recently on the "Marloch." It consisted of 14 stallions and 3 fillies, and there were also ten Percherons from Antwerp on the "Marburn," while ten more Percherons and Belgians will be shipped at a later date. The horses were purchased by Mr. W. J. McCallum, of Brampton, Ontario, and Brandon, Manitoba.

George E. Duncan, of Detroit, believes in romance. He believes in it so much that last year he took 48 Detroit boys for a trip to Alaska. This year he is going to take a good many more and he will include Canadian youngsters. He has been visiting in Toronto and his object is to find some boys willing to take a holiday in the Far North next July. Mr. Duncan, who was born near Chatham in Ontario, has developed this unique hobby owing to having himself been taken on a trip to Alaska forty years ago when he was a boy.

BAD BLOOD? Pimples and Boils? THEN TAKE

**Burdock
BLOOD
BITTERS**

Mrs. Alf. Curran, R.R. No. 1, So-mers, Sask., writes:—"About a year ago I was greatly troubled with pimples and boils breaking out on me. I also had a very itchy feeling which made me feel as if I hadn't strength enough to do my work. This was caused from bad blood and a general run-down condition.

After taking three bottles of B.B.B. I found that all my troubles had disappeared, and now I can do my household work and find it a pleasure." B.B.B. is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

UNFURLED FIRST TIME IN TWO THOUSAND YEARS

For the first time in more than 2,000 years, the flag of Judea again floats on the high seas. Amid the cheers and tears of more than 10,000 Jews participating in an emotional demonstration, the President Arthur, of the American-Palestine line, sailed from New York on her maiden voyage, carrying 500 Zionists to the Holy Land.

Four hours before the scheduled sailing time, the crowd began to assemble on the pier and along the water front. The crowd became so large that 100 reserve police were called.

Her cargo of 4,000 tons included farm implements donated by Nathan Straus, and a large quantity of medicines given by Jewish women's organizations.

WHY EDITORS ARE WEALTHY

A child is born in the neighborhood, the attending physician gets \$25. The editor gives the loud mouthed baby and the happy parents a send-off and get \$8. When it is christened the minister gets \$10; the editor gets \$10. It grows up and marries. The editor publishes another long-winded article and tells a dozen lies about the beautiful and accomplished bride. The minister gets \$10 and a piece of cake, and the editor gets \$100. In the course of time it dies. The doctor gets from \$25 to \$100, the undertaker from \$50 to \$100, the editor publishes a notice of the death and obituary two columns long, bold and society resolutions, a lot of poetry and a free card of thanks and gets \$8000. No wonder so many editors are rich.—Pickup.

"SAVE THE FOREST"

"Save the Forest" week, April 19 to 15. The forest industries in Canada, next to agriculture constitute the most important source of the Dominion's national income. There is an appalling waste of raw material in forest fires, and it is an amazing thing that people continue to show such apathy towards guarding against destructive fires. Western Canada, Alberta in particular, had 1,487 fires last year, the total loss being \$2,406,000.00.

For Baby's Bath

More than that of any other member of the family, baby's tender, delicate skin needs the greatest care and attention. The soft soothing oils in Baby's Own Soap make it specially suitable for babies, and its clinging fragrance reminds one of the roses of France which help to inspire it.

LETHBRIDGE BEER now rests in great storage tanks for months housed in Western Canada's finest storage plant, erected at great cost and one of the latest and greatest achievements in the aging and perfecting of beer. This modern structure added to our already highly-appointed breweries, combines to make Lethbridge not only one of the finest but the most modern brewery on the continent.

This famous beer ripens through remaining in these huge tanks, hundreds in number, housed in the most modern and scientifically arranged cellars, row upon row, the best that human intelligence could devise, becomes smooth, rich and mellow—not until then is it distributed among its legion of users who, through its age and true goodness, insist on having—

TOWN TOPICS

Dave Baker is having a new foundation placed under his blacksmith shop on Lorne street.

The ladies of the Methodist church will hold a bazaar and "Season Tea" on May 2nd. Further announcement later.

Mr. Nelson, formerly of Nelson Brothers, second hand dealers here, was in Wetaskiwin on Tuesday transacting business.

The Knox Church Girls' Mission Band are planning to hold a Carnation Tea and Sale on May 9, the Saturday before Mothers' Day.

Mrs. Clara Corvorn, arrived in the city last week to visit her parents, Mr. and Mrs. R. M. Angus, and other relatives.

The W.M.S. of Knox church will hold a tea and food sale in the Sunday school rooms on Saturday, April 25 from 2 to 6 o'clock.

The Mission Friends Ladies' Aid will meet at the home of Mrs. H. Noyed on Friday, April 24th, at 3 o'clock in the afternoon. All are invited.

Mrs. George Starkey received word last week that her father was very ill at his home in Los Angeles, and she left on the next train, hoping to reach his bedside before he passed away.

Oscar Carlson, who has been employed at Edmonton for some time, has opened a repair shop in the building opposite J. W. Mattson's, on Pearce street east. See advt. in this issue.

On account of the property being sold, the office of the German Mutual Fire Insurance Co., which adjoined the hospital building for some time, has been moved to the office of Roscorl Limited.

Miss Elsie E. Brandt of Wetaskiwin was one of the thirty nurses who graduated from the Royal Alexandra Hospital, Edmonton, last week. Her friends in this community extend the heartiest congratulations.

Mrs. P. J. Kloss left on Monday en route for California on account of illness. Her many friends here hope the change will soon prove beneficial and that she will return completely restored to her wonted health.

Roy Ballhorn delivered a fine bunch of Angus steers to an Edmonton buyer this week, for which he was paid 65c a pound. Mr. Ballhorn has purchased an exceptionally fine Angus bull from George Graham of Bentley.

The Ladies' Aid of the Methodist church will hold a food sale and bazaar on Saturday, May 2, in the store first door east of the post office. Tea will be served and the tables will be decorated to represent the season.

The young people of the Brightview church are giving a lantern slide lecture at the church on Friday evening, April 24, at eight o'clock. Proceeds for the organ fund. Admission, adults 25c, children 15c. Everybody welcome.

At the time of the teachers convention at Edmonton last week, the graduates of the Chumey Normal School formed an association. Miss Dorothy Ward of Wetaskiwin was honored by being elected to the executive committee to represent the class of her year.

Theo. Elkmann of the Duhamel district purchased a ticket from Roscorl Limited a few days ago for a voyage from New York to Hamburg. He left on Saturday last and expects to be away about six months. He will spend three weeks with relatives in the U.S. before sailing.

A business deal took place in the city this week when Chew Kee Chun (Fatty) disposed of the Royal Cafe to Wong Kung Yea of Calgary, who has taken possession. The former owner has been a resident here for fourteen years and is leaving for the coast in a few days.

Sybil, daughter of Mr. and Mrs. A. H. Liversidge, met with an accident on Tuesday afternoon, while playing basketball at the school grounds. Her foot caught in a rut, and in falling she broke one of her limbs below the knee. She had the misfortune to break the bones of an arm a few months ago.

"MARTHA MADE OVER"

The play staged under the auspices of the Ladies' Aid of the Methodist church last week created a sensation seldom equalled in Wetaskiwin, and proved that we have talent here that might easily step into the professional class. That the citizens appreciated the work done was evidenced by the scores lined away, the church being packed to capacity half an hour before the performance was billed to commence, and it was necessary to play a second time to a well filled house on Friday evening to accommodate those who desired to see the play.

The story, which is the composition of Mrs. Clara Rothwell Anderson, is one depicting a frequent occurrence in domestic life where a mother sacrifices everything for her children, and develops premature grey hairs, worrying over trifling affairs. The play skillfully introduces influences that are brought to bear to lift this mother out of herself and give her a new lease of life. It has an all-star cast of thirteen players and calls for some very difficult action.

The leading character, Martha, was taken by Mrs. V. C. French, in which role she completely captured the house and drew forth repeated ovations. The development required to depict Martha from an old worn out mother to a young and active woman was accomplished with unusual skill. Mrs. Ardwin Brink, in the role of Miss Dawn, a name symbolic of the dawn of a new life that she brings to the play, was also a captivating actress and the audience was not slow to show its appreciation. Mrs. Box, the comic character was ably filled by Mrs. Burkholler, while her son, Harrison, filled the role of "Dixie" the one-hundred percent with real merit. Rev. W. H. Irwin, as Uncle Joe, a well-to-do man interested in philanthropic work, cleverly interpreted his part, and caused roars of laughter by the manner in which he wooed and won Ruth Dawn. Miss Higginson, as Samantha, played a very difficult part very creditably, and Mrs. J. Dixon and Miss Vickers,

as daughters of Martha, took their parts naturally, and with considerable talent.

The play was staged with a balance seldom seen in amateur work, and the absence of the usual long delays between acts drew many compliments from the patrons. At both performances, Mrs. A. Johnson sang, and Master Clare Williamson rendered violin solos between acts.—Con.

MUSIC NIGHT A GREAT SUCCESS AT BOYS' FAIR

Friday night's crowd at the musical competitions and fairly general, made another successful day for the Edmonton boys' fair. It was most encouraging to find so many people interested in the musical abilities of the boys. And the boys did not disappoint the people who attended to hear them. Not a single contestant failed to put in his appearance when his number was called, and the various competitions were run off in quick style. First came the intermediate piano, in which fifteen competed, and here the younger boys seemed to almost out-class the older boys, who played later. In this section, Chester Lamberton came first, Morgan French of Wetaskiwin second, and Albert Lovatt took third.—Edmonton Journal.

B.P.O.E. AT HOME

An "At Home" will be given in the Elks' Hall on Tuesday evening, April 28. Dancing will start at 8:30 sharp. Every member of the B.P.O.E. No. 91 and their families are especially requested to attend.
